

IQNet expands presence in the stakeholder scene

IQNet – the International Certification Network has recently joined the European Organization Quality (EOQ) as an Associated Member.

This is one of the many upcoming efforts of IQNet on expanding its presence and influence in the business communities where its Partners have or may grow interest in.

IQNet, as one of the global players in management system certification, is committed to work with EOQ in promoting quality not only in the European level alone, but at the international scene through IQNet's strong network of Partners.

With more than 25 years of activity, IQNet is continuously participating in global and regional forums and organizations, and has been investing significant resources and efforts to safeguard the credibility, ethics, and competence of the conformity assessment community.

Aside from being close to stakeholder organizations, IQNet has been an active influencer and an effective contributor to the accreditation and standardization world.
