IQNET Joins the Stakeholder Committee of Get It Fair

Bern, December 2024 – IQNET has broadened its stakeholder engagement scope by becoming a member of the Get It Fair "ESG rating and reporting assurance" program.

Get It Fair is an Italian conformity assessment program developed in accordance with the requirements of the ISO/IEC 17029 standard for the purposes of ESG rating, releasing the right to use the "GIF Responsible Organization" claim and mark, and sustainability reporting assurance in accordance with recognized international standards. The scheme applies to any organization, regardless of industry, size, or location.

This cooperation aligns with IQNET's mission to actively contribute to the integrity, effectiveness, and efficiency of conformity assessment processes, ensuring credible output. It aims to leverage network competencies by sharing knowledge and experience between the Get It Fair and IQNET communities, focusing on one of our identified strategic directions: ESG and sustainability.

*The scheme is currently delivered in Italy and accreditation is already available under Accredia (the national Italian AB). Currently the scheme owner is seeking international expansion and recognition and applying for IAF endorsement.
