together.

### IRQS India is now part of the IQNET Community

**Bern, January 2026** – IQNET expands its presence in one of the world's biggest economies with the joining of India Register Quality Systems (IRQS), a Division of IRCLASS Systems and Solutions Private Limited.

IRQS is a certification and training body, founded in 1993 as a Division of the Indian Register of shipping. With 15 local branches and working from overseas offices in 8 countries, IRQS operate in a broad range of industries, including the automotive, education and marine, engineering and manufacturing, food and beverage, healthcare, IT sector, amongst many other.

IRQS is accredited against ISO/IEC 17021-1 by International MLA signatories. In addition to compliance to accredited or recognized international requirements and criteria, IRQS was selected due to its established capabilities, resources, services to contribute to the purpose and strategy of IQNET; and most importantly, displays integrity and competence in their country or market of origin and in the economies under their sphere of influence.

As part of the IQNET community, IRQS from now on takes part in sharing and cooperation initiatives of the Network, harmonization of integrity principles, operation criteria, products and services. This allows IRQS to better support their clients in achieving global competitiveness, get access to innovative and globally recognized products and trusted services.

Business certified by IRQS from this point forward, shall receive a complementary IQNET Statement of Recognition, be present in the IQNET database of registered organizations, and can proudly carry the IQNET recognized certification mark. These exclusive benefits allow the certified company to be recognized worldwide, to be at par with international players, and become verifiable, opening for them more opportunities to trade, build international presence, and sustain growth.
