### **IQNET Partners to showcase innovative schemes in conformity assessment**

**Bern, 26 January 2026** – This coming 26 February, IQNET will feature creative and advanced conformity assessment schemes provided by select Partners in a single event. The webinar will be open to the public -- giving businesses, organizations, consultants, stakeholders the opportunity to discover schemes that may answer their search for certification or audit programmes, beyond mainstream standards or schemes.

This 3-hour discussion will showcase innovative schemes, in diverse areas such as verification, decarbonization, sustainability, organizational well-being, tourism, and perioperative care. Aiming to lead the way in finding solutions for enhanced programmes with verifiable requirements, improved structured processes for clear quality signals to regulators and stakeholders, or simply raising the bar in particular industries.

Another initiative for IQNET Association Members worldwide in supporting businesses achieve global competitiveness through innovative products and services, opening more opportunities to trade, building international presence, and sustain growth.

Sign up for this FREE webinar through this link: [iqnet-certification/public-webinars](https://iqnet-certification/public-webinars) no later than 20 February. Limited seats only.
