

IQNet promoting continuous education through IQNet Academy

IQNet Academy expands course offering for 2019

Bern, 24 January 2019 – Making continuous education possible for professionals who are interested or would want to update their knowledge on auditing techniques, IQNet – the International Certification Network is expanding its course offering through the IQNet Academy.

Recently added courses are: Quality Management Representative (Compact Course); Certificate Course for Business Process Management Partner; Integrated MS Lead Auditor, and Data Protection Officer.

These courses are carefully designed by IQNet Partners and being delivered in select countries. You may check out the courses, technical requirements, and courses offered near you through the IQNet Academy [website](#).

IQNet Academy has served more than 2000 professionals in the fields of Quality, Information Security and Technology, Health Safety and Well Being, Supply Chain Security Management System, Environmental and Energy Management, and many more.

About IQNet

IQNet - The International Certification Network has been active since 1990, with 36 Partner certification bodies and with more than 200 subsidiaries worldwide. Each of these IQNet Partners is a leader in their region; and collectively through IQNet represents the most extensive and reputable network of certification bodies. IQNet Headquarters is based in Bern, Switzerland.
